

University Catering UC Davis Bar Services

Alcohol Licensing and Permits:

Alcohol service requires three weeks notice. University Catering will provide alcohol service in accordance with the UC Davis Alcohol Policy (P&P 270-21) and state law. A permit to serve alcoholic beverages on campus is required by the University and can be obtained through the Campus Events and Visitor Services Office. In all cases where alcoholic beverages are served, it is required that food and non-alcoholic beverages be provided during the entire duration of the alcohol service. It is also required by the State Alcoholic Beverage Control Office that a one-day sales license be purchased. University Catering will acquire this license for the client when we provide the alcohol and food service. The client will be charged a \$50 nonrefundable licensing fee. Liquor license requests with less than three week's notice are subject to a \$100 nonrefundable licensing fee. This license is not required for alcohol service held inside the Silo Union.

Hosted Bars with Catered Food:

The client pays for all beverages at a hosted bar. Beverages provided by University Catering include are domestic & specialty beers, house & premium house wines, sodas & mineral waters, unless otherwise requested. The client is billed for actual use, with no minimums, when University Catering provides the food service. All drinks are served in biodegradable cups unless otherwise indicated on the catering contract. Glassware can be provided for an additional cost \$1 per person. Bartenders are required at an additional cost; see charges listed below. Well drink bars for less than 100 guests are subject to a \$75 set up fee.

No Host Bars:

Guests purchase beverages at a no host bar. All drinks are served in biodegradable cups unless otherwise indicated. Glassware can be provided for an additional \$1 per person. There is a \$65 per hour minimum revenue requirement for each 50 guests (rounded up) for a beer and wine bar when University Catering provides the food service. If the minimum revenue is met, there are no charges to the sponsor. If the minimum revenue is not met the sponsor will be charged the difference. There is a \$130 per hour minimum revenue requirement for each 50 guests (rounded up) for a beer, wine and well drink bar when University Catering provides the food service. Bartenders are required at an additional cost; see charges listed below. Well drink bars for less than 100 guests are subject to a \$75 set up fee.

Alcohol Service Only with No Catered Food:

There is a \$175 per hour minimum revenue requirement for each 50 guests (rounded up) for a beer and wine bar when University Catering provides alcohol service only and no food. Note: This minimum revenue requirement must be met, even if the client opts to provide their own alcohol. There is a \$350 per hour minimum revenue requirement for each 50 guests (rounded up) for a beer, wine and well drink bar when University Catering provides alcohol service only and no food. If the minimum revenue is met, there are no charges to the sponsor. If the minimum revenue is not met the sponsor will be charged the difference. All drinks are served in biodegradable cups unless otherwise indicated on the catering contract. Glassware can be provided for an additional \$1 per person. Bartenders are required at an additional cost; see charges listed below. Well drink bars for less than 100 guests are subject to a \$75 set up fee.
